Sir

I have the honour to state that the President of the Sravanabelagola Municipal Council reports that in the course of the audit of the Municipal accounts for 1927-28, the Comptroller has taken objection to an expenditure of Rs 11-2-0 incurred by the Municipal Council out of municipal funds on account of travelling allowance claimed by the Sanitary Maistri of the Municipality for his journey from Sravanabelagola to Bangalore and back for purchase of lighting materials required by the Municipality on the ground that it requires sanction of Government, as the journey performed by the Sanitary Maistry was beyond the jurisdiction of the Municipal Council It is also reported that the Municipal Council approved of the journey and the claim of the official and recommend that the expenditure may be sanctioned The file of correspondence ending with the Municipal President's report No 216 dated 26th January 29 on the subject is enclosed for reference and favour of orders of Government

2 I am of opinion that the journey performed by the Sanitary Maistry under reference and the consequent expenditure could have been avoided but however as it has already been incurred the same may be sanctioned as a special case and the Municipal Council enjoined not to give room for such unnecessary expenditure in future

3 In this connection, I may state that it is not clear under what provision of law, the Comptroller wants the sanction of

of Government to admit the claims of Municipal employees for travelling allowance for journeys beyond the jurisdiction of the municipality under which they are serving Under para 27 of the Municipal Account manual, the Deputy Commissioner of the District is competent to sanction all items of expenditure incurred in minor Municipalities As Sravanabelagola is only a minor Municipality I think that the claims of the kind in question may be sanctioned by the undersigned I request the favour of clear orders of Government on the subject

I have the honour to be
